

Remarks

Reconsideration of this application and entry of the above Amendment is respectfully requested.

Upon entry of the foregoing amendment, claims 1-4 and 7-11 are pending in the application, with claims 1, 7, and 8 being the independent claims. Claims 1-3 and 7-9 are sought to be amended to correct for minor informalities. These changes are believed to introduce no new matter, do not change the scope of the claims, and therefore their entry is respectfully requested.

With respect to this Application, Applicant hereby rescinds any disclaimer of claim scope made in the parent application or any predecessor or related application. The Examiner is advised that any previous disclaimer of claim scope, if any, and the references that it was made to allegedly avoid, may need to be revisited. Nor should any previous disclaimer of claim scope, if any, in this Application be read back into any predecessor or related application.

Allowed Claims

Applicant thanks the Examiner for indicating the allowability of claims 1-4 and 7-11 in the Notice of Allowability dated June 8, 2009 (herein the "Notice of Allowability").

Comments on Statement of Reasons for Allowance

Applicant notes the Examiner's Statement of Reasons for Allowance presented on Page 2 of the Notice of Allowability. Applicant reserves the right to demonstrate claims 1-4 and 7-11 are allowable over the art made of record for further reasons related to any of their recited features. Applicant further contends that reservation of this right does not give rise to any implication regarding whether the Applicant agrees with or acquiesces in the reasoning provided by the Examiner.

Conclusion

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
